The Highlands at Pleasant Valley
Resident Contact Information Form

The information you provide below will be added or modified in our updated Highlands Directory. This is an electronic form you can fill out on your computer using Adobe Acrobat Reader or other PDF utility or print and fill in by hand. Completed forms can be submitted by email as a completed electronic form, a scan of the completed form, or as a hard copy by mail. Small changes can be made by phone or email (see contact information below).

This completed form will be used to update the Excel database we use to generate our directory. Also, please sign up or update your contact information on our website, https://www.hapv-hoa.org/ as this information is also used to maintain our database. NOTE: The website-based directory is separate from the Excel database we use to produce our directory in a user-friendly format and must be cross-referenced manually due to website limitations. Information in our Directory is specific for Highlands distribution/use and is not to be shared outside of The Highlands or for business purposes.

Email addresses are used to notify homeowners of alerts and information affecting Highlands residents. This may include suspicious person alerts, lost items like keys, glasses, or pets, information provided by the county such as road construction nearby or in The Highlands, etc. Emails are sent out a couple times a month on average.
